Workshop on Applied Deep Learning
1st July – 5th July 2019

Indian Institute of Technology Mandi

Expert Speakers:

Dr. Aditya Nigam
IIT Mandi

Dr. Kamlesh Tiwari
BITS Pilani

Dr. Arnav Bhavsar
IIT Mandi

Dr. Dileep A.D.
IIT Mandi

Dr. Vishnu Bodetti
Michigan State University

About Workshop
Organised by IIT Mandi and BITS Pilani, the workshop targets motivated scholars at undergraduate/master/PhD level, faculty members and working professionals willing to work in the area of advanced deep learning. Some of the highlights are as below:
- Practical Oriented Workshop
- Extensive Hands-on sessions
- Proper Workbook for practice
- Opportunities for Research Internship

Registration Details:

- No pre-requisites
- Limited batch of participants
- Shortlisting based on *First Come First Serve*

Industry Participants	Rs.16000	Rs.20000
International Participants	USD 400	USD500

Workshop Topics:

- Basics of Machine learning
- Machine Learning - SVM
- Convolutional Neural Networks
- Object Localisation and Detection
- Autoencoders and VAE
- GAN
- RNN and LSTM, Siamese Network

Important Dates:

Early Registration	15 May 2019
Late Registration	30 May 2019
Workshop Dates	1-5 July 2019

Food and Accommodation:
Registration includes in-campus accommodation with food

Venue:
